

MORE THAN A VIP (VERY IMPORTANT PERSON)

IS THE

MIP MOST INFLUENTIAL PERSON

It will interest you to know how people in different nations of the world desire to know most of the VIPs (Very Important Persons) governing the affairs of their countries. They do not just want to know them from a distance but are willing to establish some kind of close relationships (Personal, social or business relationship) to bring them closer and to enable them derive some benefits from such persons. Don't be surprised that millions of people around the world are striving seriously, paying all types of prizes to ensure that they get to know people that are occupying such very important positions. They put in a lot of efforts spending their time and resources in networking, joining social clubs, different societies, secret cults etc. all in a quest for worldly connection and for having a personal relationship with one mortal who cannot deliver or save them. This is also vanity and vexation of spirit. **Ecclesiastes 2:22-23** (For what hath man of all his labour, and of the vexation of his heart, wherein he hath laboured under the sun? For all his days are sorrows, and his travail grief; yea, his heart taketh not rest in the night. This is also vanity).

One irony of such unprofitable quest in the heart of man (The quest for power, money and fame) is the fact that all these things will not last forever and have no eternal value to save humanity. **Mark 8:36** (For what shall it profit a man, if he shall gain the whole world, and lose his own soul?). Nevertheless, we have seen many VIPs in power who were unable to complete their tenure in office. Is either they were removed or died through sickness, accident, coup or assassination before the end of their tenure. Think about this! Why would you put your hope and trust in a mortal man that has limited time and life span to live on the face of this earth. No man on earth has a perpetual continuity of office; be it a Governor, Prime Minister, Head of State, President, or even a King. They will all vacate that position one day when death comes knocking at their door. When their end comes, there is no wealth, no specialist hospital, doctor, occult power, not even the most sophisticated defensive technology or military ammunition of this world can prevent any person with all their position, power and fame to escape death. **Hebrews 9:27** (And as it is appointed unto men once to die, but after this the judgment).

Having considered all the vanities of this world, a deep sense of reasoning and self examination is enough for everyone to fear God and understand that there is nothing in this world. We are not discouraging people from having big dreams and being ambitious, it is good to think and dream big, it is also good to network and get to know people in power and authority. However, it is very dangerous to put your trust in man because he is not God and man has no solution to all your problems, man is prone to disappoint and frustrate any one that put his trust in him. Then why not seek to know the truth that will transform your life and destiny and save you from the pains in your quest for worldly connections and relationships that cannot guarantee your salvation?

The Most Influential Person

Today I have good news for you! It is my pleasure to introduce you to the most influential PERSON above all the VIPs (Very Important Persons) of this world. He occupies an office with a post that will never expire (perpetual continuity). He has defeated death in victory and conquered the grave, He lives forevermore. No man can assassinate Him, No military power can overthrow His government, His kingship is forever, His kingdom is from everlasting to everlasting and His dominion is established to reign throughout eternity. He will never fail or disappoint those who put their hope and trust in Him neither will he leave nor forsake those who believe in Him.

The question now is “**Do you really know Him?**” *will you like to know Him? And not just knowing Him, but you also need to have a personal relationship with Him.* One of the most interesting thing about Him is that He accepts every person that seek Him no matter your status, religion, orientation, tribe, ethnic background, race, colour or nation. He is not limited by distance or space and wherever and whenever you call upon Him, He will always be there to answer and save you. **Acts 2:21** (And it shall come to pass, that whosoever shall call on the name of the Lord shall be saved). He is the King of kings and the Lord of lords; He is the King who made Himself a servant king to save humanity. He is the Saviour of the world, His name is Jesus (**Mathew 1:21** "And she shall bring forth a son and thou shall call his name JESUS: for he shall save his people from their sins). He is the only gateway to heaven, **John 14:6** “Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me”. He doesn’t condemn sinners but forgive their sins and save them. **John 3:17** (For God sent not his Son into the world to condemn the world; but that the world through him might be saved).

The greatest gift you can receive from having a personal relationship with Jesus is the gift of salvation. **Romans 10:9-10** “That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved. For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation”.

Personal Decision

To know Him is to ACCEPT Him as your personal Lord and Saviour. If your desire and prayer is to be saved right now, please make this confession “Dear Lord Jesus I know that I am a sinner and cannot save myself, that is why I come to you today. I confess with my mouth and believe with my heart that you are the Son of God who died for my sin and God raised you up from the dead. Lord Jesus I open up my heart and invite you to come into my heart and be my Lord and personal Saviour and for the rest of my life I will serve you and do your will. Amen!”
