

**THE REDEEMED EVANGELICAL MISSION, TREM (CITY OF FAITH) –DAPE, ABUJA
DAILY CONFESSION**

Father, in the mighty name of Jesus Christ
I worship and adore you.
I acknowledge that all power belong to you
I recognize and acknowledge the Blessed Holy Spirit
My Helper and Guidance

By your Son Jesus Christ, all things were made
He has pre-eminence over all things visible and invisible
And so, He is my Lord, Saviour and Master
By my covenant and son ship right
As a joint heir with Jesus Christ
I begin to rule and reign from my exalted heavenly position in Jesus Christ

By the power of attorney vested upon me through Jesus Christ
I subdue and conquer all satanic intrigues, manipulations, machinations, incitements,
instigations, insinuations and innuendoes
I refuse to bow to any situation
I refuse to cringe and cower before any condition
Fear, you have forever lost your hold over me

I step out of every obscurity and disgrace
I step out of every poverty and shame
I step out of every limitation and failure
I step out of every last minute disappointment, joblessness, retrenchment
I step out of every sickness and disease

I step into limelight and unprecedented greatness
I step into a dizzying height of favor and honour
I step into victory and double promotion
I step into sound health and all season progress

As my Lord Jesus Christ conquered and defeated death and grave
I also conquer and defeat the spirit of death
I conquer and defeat the spirit of armed robbery attack and assassination
I conquer and defeat the spirit of every conspiracy, molestation and back stabbing

By the authoritative name of Jesus Christ

I break loose from every retrogression
I break loose from being made a laughing stock and mockery
I break loose from spiritual, financial and material constraints
I break loose from any form of inferiority
I break loose from hindrances and impossibilities
I break loose from every form of diabolic and satanic influence

Those who despised and rejected me are rushing back to me
Those who looked down on me are now looking up to me
Now I am the center of attraction
From now, I am the sought after
I have recovered my lost position
I have recovered my lost blessings
I have recovered my lost victories

Henceforth, I surpass my peers and colleagues in wisdom, knowledge and power
I surpass them in progress, achievements and accomplishments
That same Jesus that redeemed and delivered me
Has ushered me into popularity and fame

HEY! Now I take my place of honour, respect and regard in Abuja in particular
Nigeria in general and the world at large
In Jesus Name

HEY! Satan listen and submit to the blood of Jesus speaking on my behalf
Satan, you and your demons jump over my miracles
And touch them not forever
In Jesus Name!!!
